## Free Network Health Check

### Terms and Conditions

The free network health check is for 1 day's attendance on site to audit the existing installed network infrastructure.

- Following the health check, Complete Cabling Solutions will provide an audit report featuring advice and a recommendation.
- The free health check is currently available in the following areas:  
Surrey, London, Essex, Kent, East Sussex, West Sussex, Hampshire, Berkshire, Oxfordshire, Buckinghamshire, Hertfordshire, Bedfordshire
- Businesses outside of these areas may still be eligible for a free 1 day network health check but may incur travel costs.

Please contact us on **0208 397 2233** to confirm eligibility and arrange a Free Network Health Check.
